Serving Catholic Primary Schools across England and Wales

Continuous Professional Development and Formation Plan 2022-2023 **for Headteachers/ Principals**

"Give instruction to a wise man and he will be still wiser, teach a righteous man and he will increase his learning."

Proverbs 9:9

Dear School Leaders,

Hello. Chances are, no-one will read this bit and every-one will flick straight to 'the courses'. Come on, you know by now, they're CPDF: Continuous Professional Development and FORMATION.

We are doing our best to support you in enabling leaders at all levels within your school or MAC to be the very best version of the person that God has called them to be.

In turn, it is hoped, this will cascade to your amazing pupils.

Providers

There's some old favourites and some brand new ones, let us know your thoughts.

If an old favourite isn't included this year, let us know you want them back. (We're already working on 2023-2024!) If you hear of someone amazing, tell us. We'll get them booked.

Within this brochure are the courses that may benefit YOU the most. Give yourself time and space. It's OK to work off site. It's important to meet and speak to other heads. Book the Headteacher face to face sessions and residential and stick to them!

DRB

We understand that some schools may be looking to sign up to the DRB Leadership Briefings for next academic year and wanted to make you aware of a **special offer** that will be available again to schools who subscribe to the **Catholic Primary Partnership** in academic year 2022-23.

We will be offering access to the termly online DRB Leadership Briefings (and associated weekly updates/support) for just an extra **£270 (for the year)**. The DRB briefings usually cost schools £120 per term (£360 per year) and so we are able to provide **a fantastic £90 discount for schools** that wish to buy into both us and DRB for the year.

So you actually do read to the end? Impressive! Now the challenge is to continue reading and take note of our vision for the Partnership.

We believe in it, we review it, we live it, we report on it to our Management board. It's our way of ensuring the very best for you. Let us know your thoughts.

In the meantime, please use the hyperlinks to book your CPDF and we look forward to welcoming you.

Kind regards

Julie-Anne Tallon

We are passionate about servant leadership. We strive to provide excellent CPDF to ensure all stakeholders are given every opportunity to become the person God has called them to be. We want to constantly evolve, nurturing a culture of constant review, evaluation and planning for next steps, to build upon strengths; to offer our schools the very best.

What is the Partnership Vision?

Servant Leadership

Mission integrity - a commitment to Servant Leadership; evident through interactions, service and SUPPORT to all.

Excellent CPDF

Inclusive of Leaders at all levels- developing all stakeholders to be the person God has called them to be and empowering them to develop the children in our care to achieve their best.

Evolving

A culture of constant evaluation, reflection and improvement to provide the very best for our schools.

The KNOT Prayer

Dear God,

Please untie the knots that are in my mind, my heart and my life.

Remove the have nots, the can nots and the do nots, that I have in my mind.

Erase the will nots, may nots and might nots that find a home in my heart.

Release me from the could nots, would nots and should nots that obstruct my life.

And most of all, Dear God, I ask that you remove from my mind, my heart and my life ALL of the am nots that I have allowed to hold me back, especially the thought that I am not good enough.

Amen

Time Management

With Hugo Metcalfe

Wednesday 28th September, 2022

9:00am – 12:00noon

Zoom

For: Headteachers, Deputy Headteacher and Department heads, as well as those seeking to improve their time-management and decision making skills.

Time Management, Prioritisation & Decision Making

"I don't have enough time", "My to do list is already full!", "I have to go, I have a meeting right after this one". These statements are all too familiar in an ever-changing work environment marked by increasing uncertainty. As a result, many of us may experience a sense of increased pressure and/or stress. This in turn can impact our ability to manage our time, prioritise tasks and make effective decisions. Developing skills in time-management, prioritisation and decision-making are key components of greater effectiveness, personal resilience and stress management.

In this workshop we will explore;

- Strategies to better manage 'time' and prioritise tasks
- The practice of 'Ruthless prioritisation'
- The 4 stages of effective decision-making
- 'Decision-paralysis' and procrastination
- Tools to maintain motivation

To book:

<https://www.bcpp.org.uk/events/22-time-management>

Director's note:

When asked what is the biggest blocker to success is, most leaders at all levels say 'not enough time!' Perhaps this is the solution?

Hugo is back as a result of your feedback. Come and see what he has to say. Or send that team member who struggles with this and would benefit from support.

For: Headteachers, Deputies,
Assistant Heads, Middle Leaders

What Governors need from Leaders and what Leaders should get in return.

A session for senior/middle leaders about the role of Governors;

- What do they do?
- What do they need to know?
- What do senior leaders need to do to get the best from Governors?
- What information should we really be giving them?
- If they're not effective, how can I help them to be better?

To book:

<https://www.bcpp.org.uk/events/22-role-of-governors>

Director's note:

Do you get the most out of your Governors? Are they a great asset or an irritation and yet another thing on your 'to do' list?

Maybe having a better understanding of how to develop and nurture that relationship might help?

Roland is a brilliant presenter on Governance. He knows his stuff.

Curriculum Support and Development Groups

It's not all about Ofsted. It's about supporting our leaders, at all levels, to be the very best that God has called them to be. However, Ofsted (and your governors) will be asking you:

- How are you supporting leaders to carry out their jobs successfully?
- How are you working with other schools to share best practice?

These support and development groups do just that.

In response to HT requests we have added English and Maths this year. These really are fabulous groups.

Curriculum Support and Development Groups

It's not all about Ofsted. It's about supporting our leaders, at all levels, to be the very best that God has called them to be. However, Ofsted (and your governors) will be asking you:

- How are you supporting leaders to carry out their jobs successfully?
- How are you working with other schools to share best practice?

These support and development groups do just that.

In response to HT requests we have added English and Maths this year. These really are fabulous groups

Curriculum Support and Development Groups

It's not all about Ofsted. It's about supporting our leaders, at all levels, to be the very best that God has called them to be. However, Ofsted (and your governors) will be asking you:

- How are you supporting leaders to carry out their jobs successfully?
- How are you working with other schools to share best practice?

These support and development groups do just that.

In response to HT requests we have added English and Maths this year. These really are fabulous groups. If you've missed some, you can still join in now.
