## CPDF 2026-2027

***Blessed Don Álvaro***

*Patron for Those Facing Difficult Tasks*

**Many schools - *One family***

**Dear Colleagues,**

We are delighted to share our 'At a Glance' CPDF brochure, designed for those who prefer a streamlined overview of all our Continuous Professional Development and Formation offerings for the year ahead.

We recognise that many of you work best with clear, concise information at your fingertips. This brochure provides you with the essentials: course titles, dates, and direct booking links, without the detailed descriptions found in our full programme guides.

Whether you're planning your professional development for the year, coordinating staff training across your school, or simply browsing what's available, this format is designed to support the way you work.

Our CPDF programme has been thoughtfully crafted to nurture your professional growth and personal formation, helping you flourish into the person God has called you to be. We believe that investing in your development will not only enrich your practice but will also inspire and positively impact the children, families, and colleagues you serve with such dedication.

## Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

## Shaping Our Programme Together

Your insights and feedback are essential in developing our CPDF offering for the year ahead. We would welcome your input on:

- **Returning favourites**: if there's a speaker or facilitator you've valued in previous years who isn't currently featured, please let us know and we'll endeavour to invite them back.
- **New voices**: if you've encountered an exceptional speaker or facilitator, whether UK-based or international, we'd be delighted to receive their details and will make every effort to secure them for our programme.

**Our Vision**

Our vision guides everything we do. We believe in it, review it, live it, and report it to our Management Board. This is our way of ensuring we deliver the very best for you and your school communities. Your feedback helps us refine this mission, so please do share your thoughts.

Please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you and your teams.

With every blessing,

# *Julie-Anne Tallon*
