Curriculum V1.6 15.07.26

Dear School Leaders,

We are pleased to continue supporting you and your school communities by providing high-quality CPDF (Continuous Professional Development and Formation) for leaders at all levels. Our goal is to help you and your teams grow into the best versions of the people God has called you to be, with the hope that this commitment will inspire and positively impact your wonderful pupils.

Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

Providers: Tell Us What You Need!

This year's CPDF offer includes a mix of well-loved favourites and exciting new providers. Your feedback is invaluable in shaping next year's programme, so please let us know:

- If an old favourite is missing, you would like them to return.
- If you have heard of an extraordinary speaker or facilitator based in the UK or internationally, share their details, and we'll do our best to book them!

DRB Leadership Briefings

We are thrilled to continue offering access to DRB Leadership Briefings—a 'one-stop shop' for all the essential updates, ensuring 'they do the reading, so you don't have to!' We can provide a fantastic offer for schools subscribing to the Catholic Primary Partnership in 2026-27: access to the termly *online* DRB Leadership Briefings and weekly updates/support for just an additional **£330 for the year**. This is exceptional value, as the usual cost for DRB is £140 per term (£420 per year).

Contact us if you would like us to arrange this for you. Call me if you're unfamiliar with DRB briefings and want to know more. I'd be happy to explain them to you. Telephone 0121 476 3415 or Mobile 07985 709557.

Supporting Collaboration

For those in a MAC/MAT/CMAT or any other school collaboration, why not maximise the impact of the Middle Leader Support and Development Groups? We can help facilitate middle leader meetings immediately after these sessions—just let us know, and we'll work with you to make it happen.

Our Vision

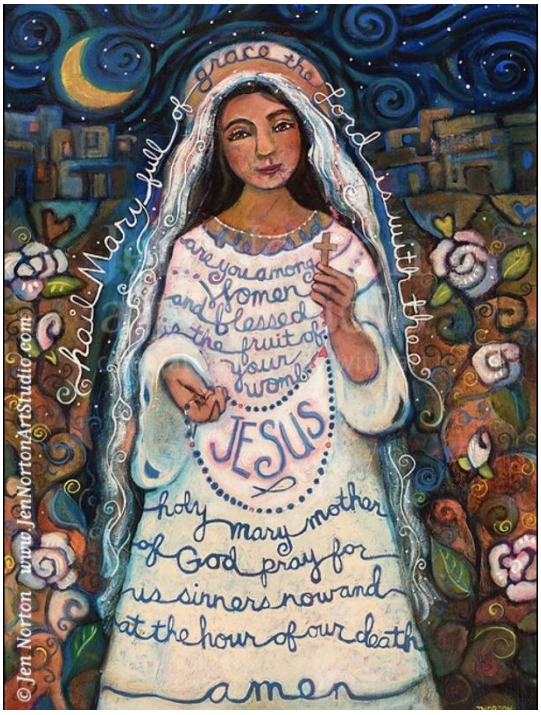
Our vision guides everything we do. We *believe in it*, *review it*, *live it*, and *report it* to our Management Board. This is our way of ensuring we deliver the absolute best for you and your school communities. Your feedback helps us refine this mission, so please share your thoughts.

In the meantime, please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you and your teams.

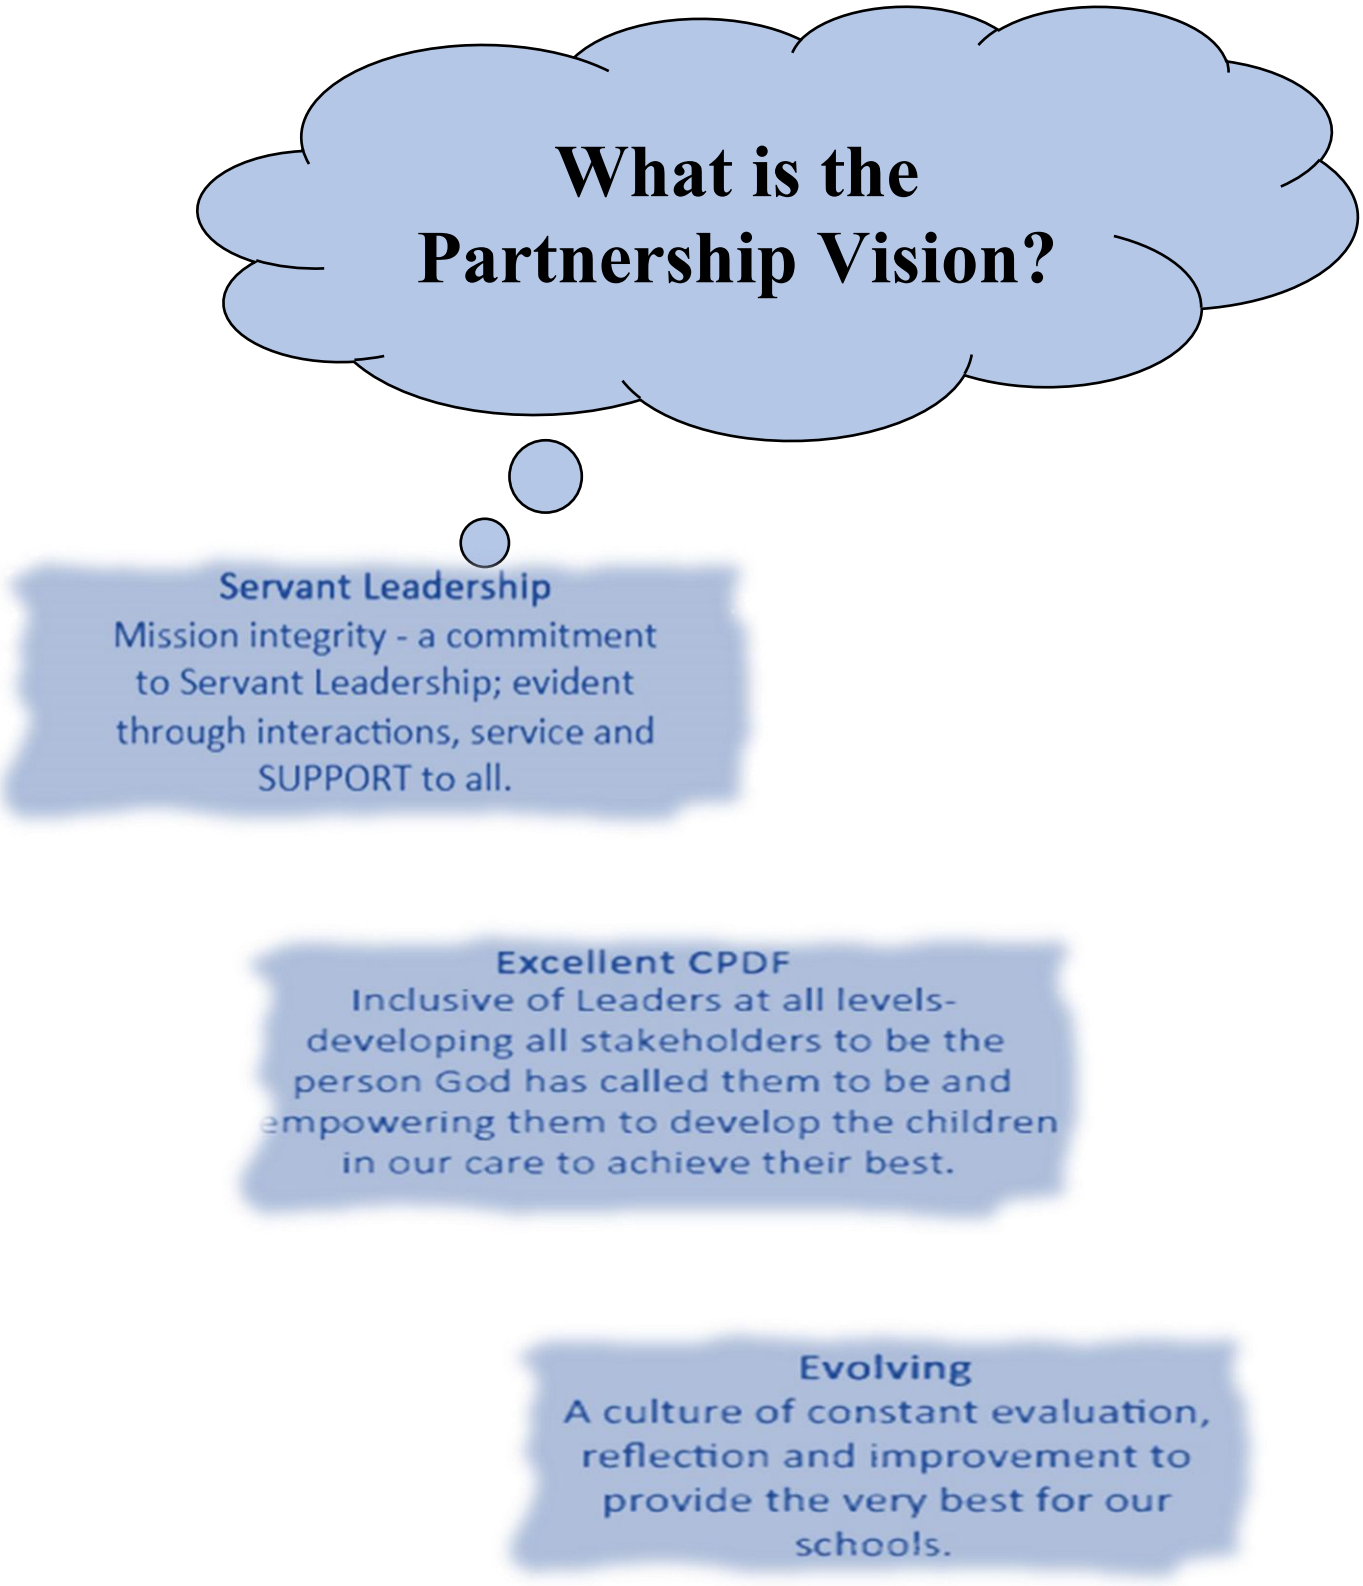
With every blessing,

Julie-Anne Tallon

Director of the Catholic Primary Partnership



We are passionate about servant leadership and provide excellent CPDF to ensure all stakeholders become who God has called them to be. We want to evolve constantly, so we nurture a culture of constant review, evaluation, and planning for the next steps. We build upon strengths and offer our schools the absolute best.



Prayer to St Catherine of Alexandria

St Catherine of Alexandria,
patron saint of students and scholars,
guide us in wisdom, courage and truth.

Bless all who teach and all who learn,
that the curriculum we deliver may be
rooted in justice, integrity and hope.

May our planning be thoughtful,
our teaching generous,
and our work always serve the dignity
and potential of every child
entrusted to our care.

Through Christ our Lord.

Amen.

In this session Affirmational Havening will be introduced to cover doubt when a pupil is not feeling confident in a particular situation, such as making friends, social anxiety and exam stress. There will be sufficient time to explore how Havening can be used, not only on a 1-2-1 basis, but consider the benefits of using this in the classroom environment. The training will focus on the following benefitting both staff and classroom activity. · Engaging: Brain games can help keep children engaged and focused in their lessons (mainly in primaries). · Self-acceptance: Havening can help deepen self-acceptance and increase self-confidence. · Personal resilience: Havening can help strengthen personal resilience and coping strategies. · Enhancing focus: Calmer minds can concentrate and retain information better as the pre-frontal cortex is more engaged. · Building confidence: Affirmational Havening replaces self-doubt and negative self-talk with positive beliefs · Improving emotional resilience: Massively reduce emotional overwhelm and stress during revision or assessment and exam anxiety and performance pressure.
