

CATHOLIC PRIMARY PARTNERSHIP

ENGLISH CPDF 2026-2027

St. Francis de Sales
Patron Saint of Writers

many schools, one family

Dear English Leaders,

We are delighted to continue supporting you through our high-quality Continuous Professional Development and Formation (CPDF) programme, designed specifically for English Leaders serving in our Catholic primary schools.

We recognise the immense demands placed upon you in leading English across your school. Our CPDF programme has been thoughtfully crafted to nurture your professional growth and personal formation, helping you flourish into the person God has called you to be. We believe that investing in your development will not only enrich your practice but will also inspire and positively impact the children, families, and colleagues you serve with such dedication.

This programme represents our commitment to you: to walk alongside you, to resource you well, and to support you in living out your vocation within Catholic education.

Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

Shaping Our Programme Together

Your insights and feedback are essential in developing our CPDF offering for the year ahead. We would welcome your input on:

- **Returning favourites:** if there's a speaker or facilitator you've valued in previous years who isn't currently featured, please let us know and we'll endeavour to invite them back.
- **New voices:** if you've encountered an exceptional speaker or facilitator, whether UK-based or international, we'd be delighted to receive their details and will make every effort to secure them for our programme.

Enhancing Collaborative Practice

For English Leaders working within MACs, MATs, CMATs or other collaborative partnerships, we recognise the value of connecting with colleagues who share your context.

We are happy to facilitate dedicated English Leader partnership meetings immediately following our Support and Development Group sessions, providing a valuable opportunity for peer collaboration and shared learning. Simply contact us with your requirements, and we will work with you to arrange this.

Our Vision

Our vision guides everything we do. We believe in it, review it, live it, and report it to our Management Board. This is our way of ensuring we deliver the very best for you and your school communities. Your feedback helps us refine this mission, so please do share your thoughts.

In the meantime, please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you and your teams.

With every blessing,

Julie-Anne Tallon

Director of the Catholic Primary Partnership

Introduction to Subject Leadership

With Jo Upton

Wednesday 16th June 2027

3:45pm–5:00pm

Zoom

For: Subject leaders and all teachers, HLTAs, interested TAs.

This session is designed to develop knowledge of the role of the subject leader and how to lead a subject effectively in a primary school.

The session will focus on the following questions:

- What is the role of the Subject Leader?
- What does effective subject leadership look like?
- What is the cycle for school improvement?
- Where will you start?

We will consider priority actions and next steps to support the development of effective subject leaders as they begin this important role.

To book:

<https://www.bcpp.org.uk/events/26-subject-leadership>

Director's note: We've scheduled this as twilight CPDF to enable easy integration into your staff meeting schedule. An excellent opportunity for all teachers to access high-quality CPDF at no extra cost. This session offers valuable insights for experienced subject leaders while supporting those new to the role, particularly when addressing the challenges of leading without formal positional authority. For teachers who are not in leadership positions, the session provides understanding of effective collaboration and how to contribute meaningfully to whole-school development.
