EYFS CPDF 2026-2027

St. Nicholas of Myra
Patron Saint of Children and Preschool

Many schools – One family

Dear EYFS Leaders,

We are delighted to continue supporting you through our high-quality Continuous Professional Development and Formation (CPDF) programme, designed specifically for EYFS Leaders serving in our Catholic primary schools.

We recognise the immense demands placed upon you in leading early years provision across your school. We truly appreciate the unique pressures you face and the vital importance of the work you do. As EYFS Leaders, you genuinely set the foundations for all future learning, shaping young lives at their most formative stage. Your role is invaluable, and we are here to support you with the latest guidance, research, and practical strategies.

Our CPDF programme has been thoughtfully crafted to nurture your professional growth and personal formation, helping you flourish into the person God has called you to be. We believe that investing in your development will not only enrich your practice but will also inspire and positively impact the children, families, and colleagues you serve with such dedication.

This programme represents our commitment to you: to walk alongside you, to resource you well, and to support you in living out your vocation within Catholic education.

Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

Shaping Our Programme Together

Your insights and feedback are essential in developing our CPDF offering for the year ahead. We would welcome your input on:

- **Returning favourites:** if there's a speaker or facilitator you've valued in previous years who isn't currently featured, please let us know and we'll endeavour to invite them back.
- **New voices:** if you've encountered an exceptional speaker or facilitator, whether UK-based or international, we'd be delighted to receive their details and will make every effort to secure them for our programme.

Enhancing Collaborative Practice

For EYFS Leaders working within MACs, MATs, CMATs or other collaborative partnerships, we recognise the value of connecting with colleagues who share your context.

We are happy to facilitate dedicated EYFS Leader partnership meetings immediately following our Support and Development Group sessions, providing a valuable opportunity for peer collaboration and shared learning. Simply contact us with your requirements, and we will work with you to arrange this.

Our Vision

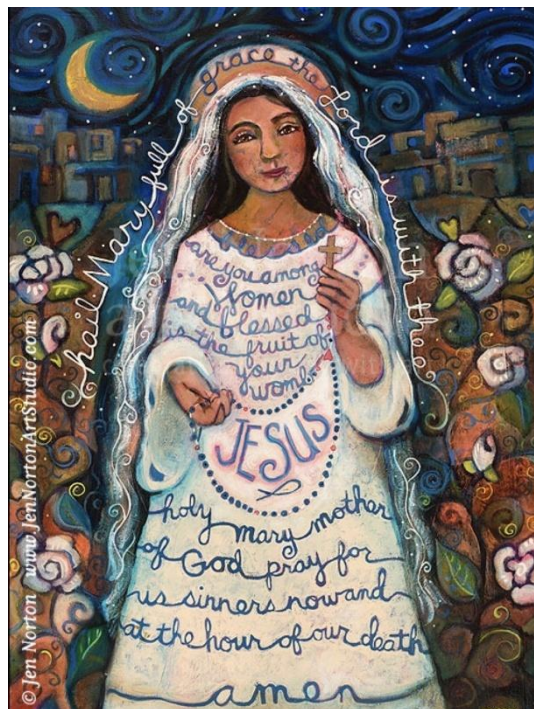

Our vision guides everything we do. We believe in it, review it, live it, and report it to our Management Board. This is our way of ensuring we deliver the very best for you and your school communities. Your feedback helps us refine this mission, so please do share your thoughts.

In the meantime, please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you and your teams.

With every blessing,

Julie-Anne Tallon

Director of the Catholic Primary Partnership

Evolving

A culture of constant evaluation, reflection and improvement to provide the very best for our schools.

*Saint Nicholas of Myra,
faithful servant of God and
protector of children,
you showed Christ's love through
generosity, courage, and care
for the vulnerable.*

*Intercede for us today, especially for
the children and families entrusted
to our schools.*

*Guide those who teach and
nurture young hearts, that they may
reflect patience, wisdom, and
compassion in all they do.*

*Help us to build communities rooted in faith,
hope, and love, where every child is known,
valued, and encouraged to flourish.*

*Through your prayers,
may we grow together as one
family in Christ.*

Amen.

For: School Leaders, Subject Leaders and Teachers

What is Havening? The Havening Techniques® are a healing modality that is designed to help individuals overcome problems that are the consequence of traumatic encoding by the brain developed by Dr. Ronald Ruden MD Ph.D. The Havening Techniques® belong to a larger group of methods called psychosensory therapies that use sensory input to alter thought, emotions, mood and behaviour. The effect of the Havening touch also produces a calm pleasant state, so it can also be used to work on positive states, behaviours, and to help build up resilience, self-confidence, reduce stress, break the pattern of anxiety to name a few. Staff will gain an insight into the background and neuroscience behind the Havening Technique. Through self-application staff will experience first-hand the benefits of this technique.

The training will focus on the following benefitting both staff and classroom activity.</p> <ul style="list-style-type: none"> · Engaging: Brain games can help keep children engaged and focused in their lessons (mainly in primaries). · Self-acceptance: Havening can help deepen self-acceptance and increase self-confidence. · Personal resilience: Havening can help strengthen personal resilience and coping strategies. · Enhancing focus: Calmer minds can concentrate and retain information better as the pre-frontal cortex is more engaged. · Building confidence: Affirmational Havening replaces self-doubt and negative self-talk with positive beliefs · Improving emotional resilience: Massively reduce emotional overwhelm and stress during revision or assessment and exam anxiety and performance pressure. <p>To book: https://www.bcpp.org.uk/events/26-staff-havening-2</p>
