Headteachers CPDF 2026-2027

St. John Henry Newman
Patron Saint of Catholic Education

Many schools – One family

Dear Headteachers and Principals,

We are delighted to continue supporting you through our high-quality Continuous Professional Development and Formation (CPDF) programme, designed specifically for Headteachers and Principals serving in our Catholic primary schools.

We recognise the profound demands of educational leadership and the weight of responsibility you carry each day. Our CPDF programme has been thoughtfully crafted to nurture your professional growth and personal formation, helping you flourish into the person God has called you to be. We believe that investing in your development will not only enrich your practice but will also inspire and positively impact the children, families, and colleagues you serve with such dedication.

Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

Walking Alongside You in Servant Leadership

As servant leaders, you give so much of yourselves to your school communities. You lead with courage, compassion, and unwavering commitment to the mission of Catholic education, often at personal cost. We want you to know that you are not alone in this calling.

This programme represents our deep commitment to you: to walk alongside you in your leadership journey, to resource you well, and to support you in living out your vocation. We understand that leading a Catholic school requires both professional excellence and spiritual depth, and our CPDF offering seeks to nurture both dimensions of your ministry.

Shaping Our Programme Together

Your insights and feedback are essential in developing our CPDF offering for the year ahead. We would welcome your input on:

- **Returning favourites:** if there's a speaker or facilitator you've valued in previous years who isn't currently featured, please let us know and we'll endeavour to invite them back.
- **New voices:** if you've encountered an exceptional speaker or facilitator, whether UK-based or international, we'd be delighted to receive their details and will make every effort to secure them for our programme.

Our Vision

Our vision guides everything we do. We believe in it, review it, live it, and report it to our Management Board. This is our way of ensuring we deliver the very best for you and your school communities. Your feedback helps us refine this mission, so please do share your thoughts.

In the meantime, please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you.

With every blessing,

Julie-Anne Tallon

Director of the Catholic Primary Partnership

Excellent CPDF

Inclusive of Leaders at all levels- developing all stakeholders to be the person God has called them to be and empowering them to develop the children in our care to achieve their best.

Evolving

A culture of constant evaluation, reflection and improvement to provide the very best for our schools.

Prayer to St John Henry Newman

*Saint John Henry Newman,
faithful servant of truth and
teacher of conscience,
you dedicated your life to seeking
wisdom and leading others to Christ.*

*Pray for us who serve in Catholic education,
that we may teach with integrity,
humility, and courage.*

*Guide our minds to seek truth,
our hearts to remain faithful,
and our actions to reflect the Gospel
in all we do.*

*Help us to form communities of learning rooted
in faith, where reason and belief walk together,
and every person is encouraged to grow in
holiness and purpose.*

*Through your intercession, may we lead
with clarity, compassion, and hope,
for the glory of God and the good of those
entrusted to our care.*

Amen.

2026**

11:30am–12:30pm

Zoom

For: all staff

#SEN #CT #HT #TA

Update and Review of Key Changes

During this one-hour virtual session we will cover the key changes and themes within KCSIE-26 to ensure that all staff are up to date with the latest statutory requirements for people working in Education settings.

There is also a quiz to assess understanding.

Sign up one member of staff only (everyone else sits with them).

To Book:

<https://www.bcpp.org.uk/events/26-kcsie-update>

Director's note:

This is a session that all schools must do. We are trying to save you a job by sorting this for you. Plan your first day back around this, it is one job ticked off the 'to do' list. Sign up one person to be the lead, they will have the link to the session (show it on one device in the hall). This person will receive the quiz, and it is their job to share it and collate responses.

We are not recording this session this year, it had an additional cost and was not in demand, if you would like to discuss this with us, get in touch ASAP.

Decide which member of staff is going to be named to receive the link and distribute quiz info, they are the person to sign up for the session.

Monday 14th September 2026 1:00pm-3:00pm Zoom For headteachers/Senior Leaders</p> <p>#HT</p> | <p><i>Learning together:</i> One of Pope Francis’ major themes has been calling everyone, and particularly Catholic Communities, to challenge ‘indifference’ and act in solidarity with people forced to leave their homes. The Bishops’ Conference of England and Wales have seconded this with their publication, ‘Love of the Stranger’. As Catholic educators and leaders we have been called to action, but do not always have the information, experience or understanding required, or indeed the time and space, to explore the issues related to ‘Welcoming the Stranger’.</p> <p>This programme will include CST, prayer, reflection and a residential ‘Festival of Encounter’ together with people seeking safety in Britain.</p> <p>This is session 1 of 5 and we need you to commit to all 5 sessions.</p> <p>Future dates for your diary: Session 2 - Zoom - Monday 21st September 2026 1:00pm – 3:00pm Session 3 – Face-to-Face @ Columban’s Thursday 1st October – 10:00am – 2:00pm Session 4 - Residential - Tuesday 6th October 2026 to Thursday 8th October 2026 Session 5 -Thursday 15th October 2026 – Zoom – 1:00pm – 3:00pm To book: https://www.bcpc.org.uk/events/26-welcome-stranger-1</p> |

It has taken me completely out of my comfort zone and challenged my thinking. Yes, I’m a Catholic Head but this has given me a real sense of responsibility to make change. I am making a long-term plan for my school and staff.</i> <i>Definitely worth doing again and trying to persuade as many people to come on it as possible!</i> <i>It will help to broaden your outlook and think about what matters.</i> <i>The whole experience has strengthened my faith and brought a different dimension to my prayer life and reflections. It’s an opportunity to live the gospels and to ‘use and apply’ their messages.</i></p> | |

Setting up and successfully running a 'SEND hub' provision in your school

With Emma Shackleton

What is Havening? The Havening Techniques® are a healing modality that is designed to help individuals overcome problems that are the consequence of traumatic encoding by the brain developed by Dr. Ronald Ruden MD Ph.D. The Havening Techniques® belong to a larger group of methods called psychosensory therapies that use sensory input to alter thought, emotions, mood and behaviour. The effect of the Havening touch also produces a calm pleasant state, so it can also be used to work on positive states, behaviours, and to help build up resilience, self-confidence, reduce stress, break the pattern of anxiety to name a few. Staff will gain an insight into the background and neuroscience behind the Havening Technique. Through self-application staff will experience first-hand the benefits of this technique.

Applying Havening – session 2 of 2

With Helen Dos Santos

Wednesday 10th March 2027

3:45pm – 4:45pm

Zoom

For: All staff

Just like adults, kids and young students need stress relief tools to help them stay calm, alert, and become emotionally regulated.

In this session Affirmational Havening will be introduced to cover doubt when a pupil is not feeling confident in a particular situation, such as making friends, social anxiety and exam stress. There will be sufficient time to explore how Havening can be used, not only on a 1-2-1 basis, but consider the benefits of using this in the classroom environment. The training will focus on the following benefitting both staff and classroom activity.

- Engaging: Brain games can help keep children engaged and focused in their lessons (mainly in primaries).
- Self-acceptance: Havening can help deepen self-acceptance and increase self-confidence.
- Personal resilience: Havening can help strengthen personal resilience and coping strategies.
- Enhancing focus: Calmer minds can concentrate and retain information better as the pre-frontal cortex is more engaged.
- Building confidence: Affirmational Havening replaces self-doubt and negative self-talk with positive beliefs
- Improving emotional resilience: Massively reduce emotional overwhelm and stress during revision or assessment and exam anxiety and performance pressure.
