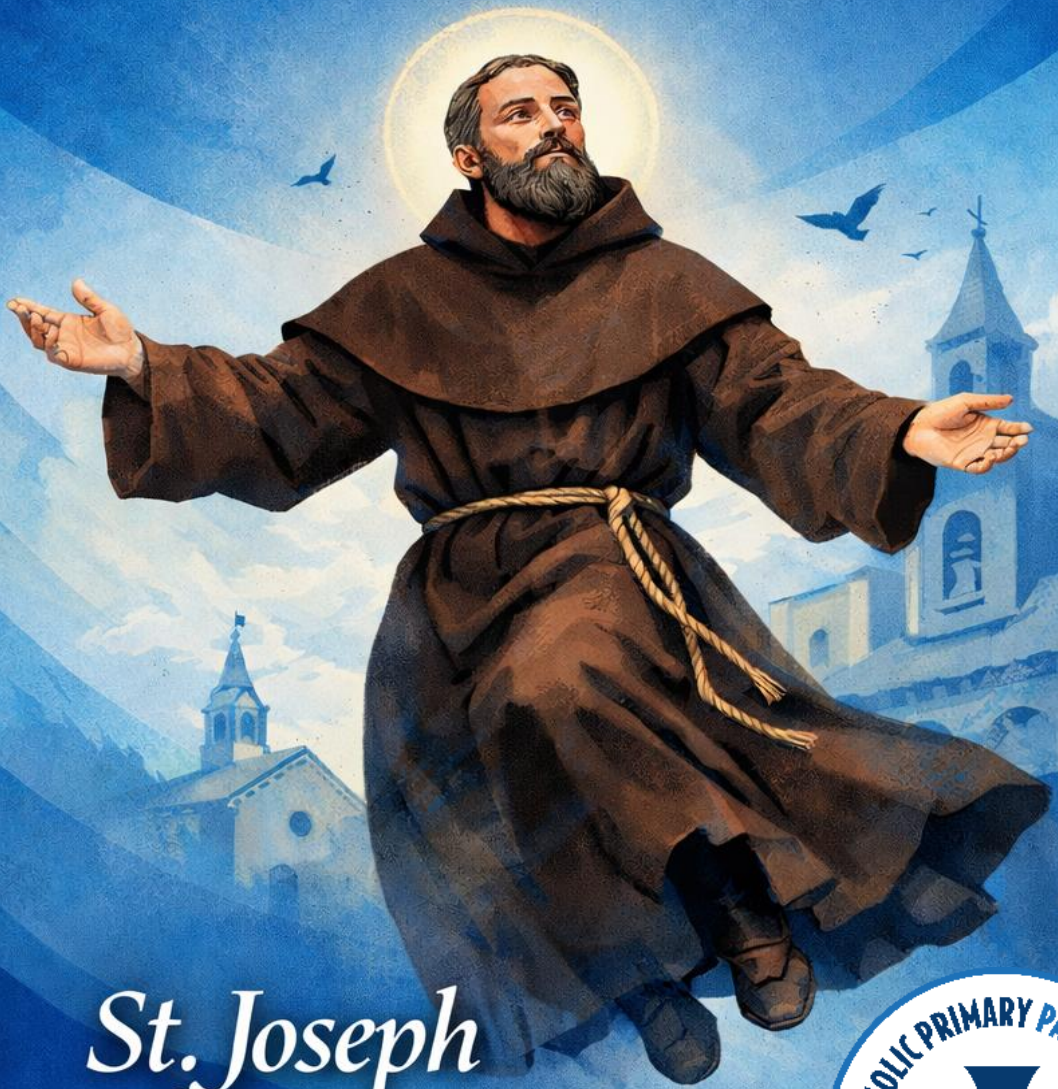
CATHOLIC PRIMARY PARTNERSHIP

SENDCO CPDF 2026-2027



St. Joseph of Cupertino

Patron Saint of special needs,

including learning dissbilities and neuro-diversity

Dear SENDCOs,

We are delighted to continue supporting you through our high-quality Continuous Professional Development and Formation (CPDF) programme, designed specifically for SENCOs serving in our Catholic primary schools.

We recognise the immense demands placed upon you in your vital role. Our CPDF programme has been thoughtfully crafted to nurture your professional growth and personal formation, helping you flourish into the person God has called you to be. We believe that investing in your development will not only enrich your practice but will also inspire and positively impact the children, families, and colleagues you serve with such dedication.

This programme represents our commitment to you – to walk alongside you, to resource you well, and to support you in living out your vocation within Catholic education.

Being inspection ready

We understand the pressures you face in meeting Ofsted requirements, which is why we're committed to helping you protect valuable time for professional learning that genuinely makes a difference. Our approach ensures every member of your team can develop and thrive in their role.

Everything we offer is carefully designed around what you've told us you need. After every session, we listen to your feedback and shape our provision accordingly, ensuring it remains relevant and responsive to the real challenges you're facing in your schools.

You'll be learning from practitioners who are experts in their field, and all our training is grounded in robust evidence and proven practice. Our leadership support and development groups go beyond theory – they provide structured opportunities for you to apply new approaches in your own context, embed effective practice, and share insights with fellow professionals from our network of over 150 schools across the country.

Shaping Our Programme Together

Your insights and feedback are essential in developing our CPDF offering for the year ahead. We would welcome your input on:

- **Returning favourites** – if there's a speaker or facilitator you've valued in previous years who isn't currently featured, please let us know and we'll endeavour to invite them back.
- **New voices -** if you've encountered an exceptional speaker or facilitator, whether UK-based or international, we'd be delighted to receive their details and will make every effort to secure them for our programme.

Enhancing Collaborative Practice

For SENCOs working within MACs, MATs, CMATs or other collaborative partnerships, we recognise the value of connecting with colleagues who share your context.

We are happy to facilitate dedicated SENDCO partnership meetings immediately following our Support and Development Group sessions, providing a valuable opportunity for peer collaboration and shared learning. Simply contact us with your requirements, and we will work with you to arrange this.

Our Vision

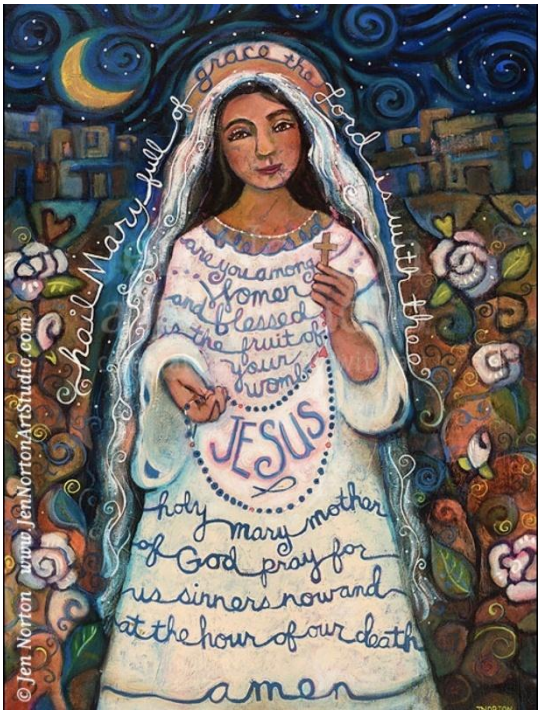
Our vision guides everything we do. We believe in it, review it, live it, and report it to our Management Board. This is our way of ensuring we deliver the absolute best for you and your school communities. Your feedback helps us refine this mission, so please share your thoughts.

In the meantime, please use the hyperlinks in the brochure to book your CPDF sessions. We look forward to welcoming you and your teams.

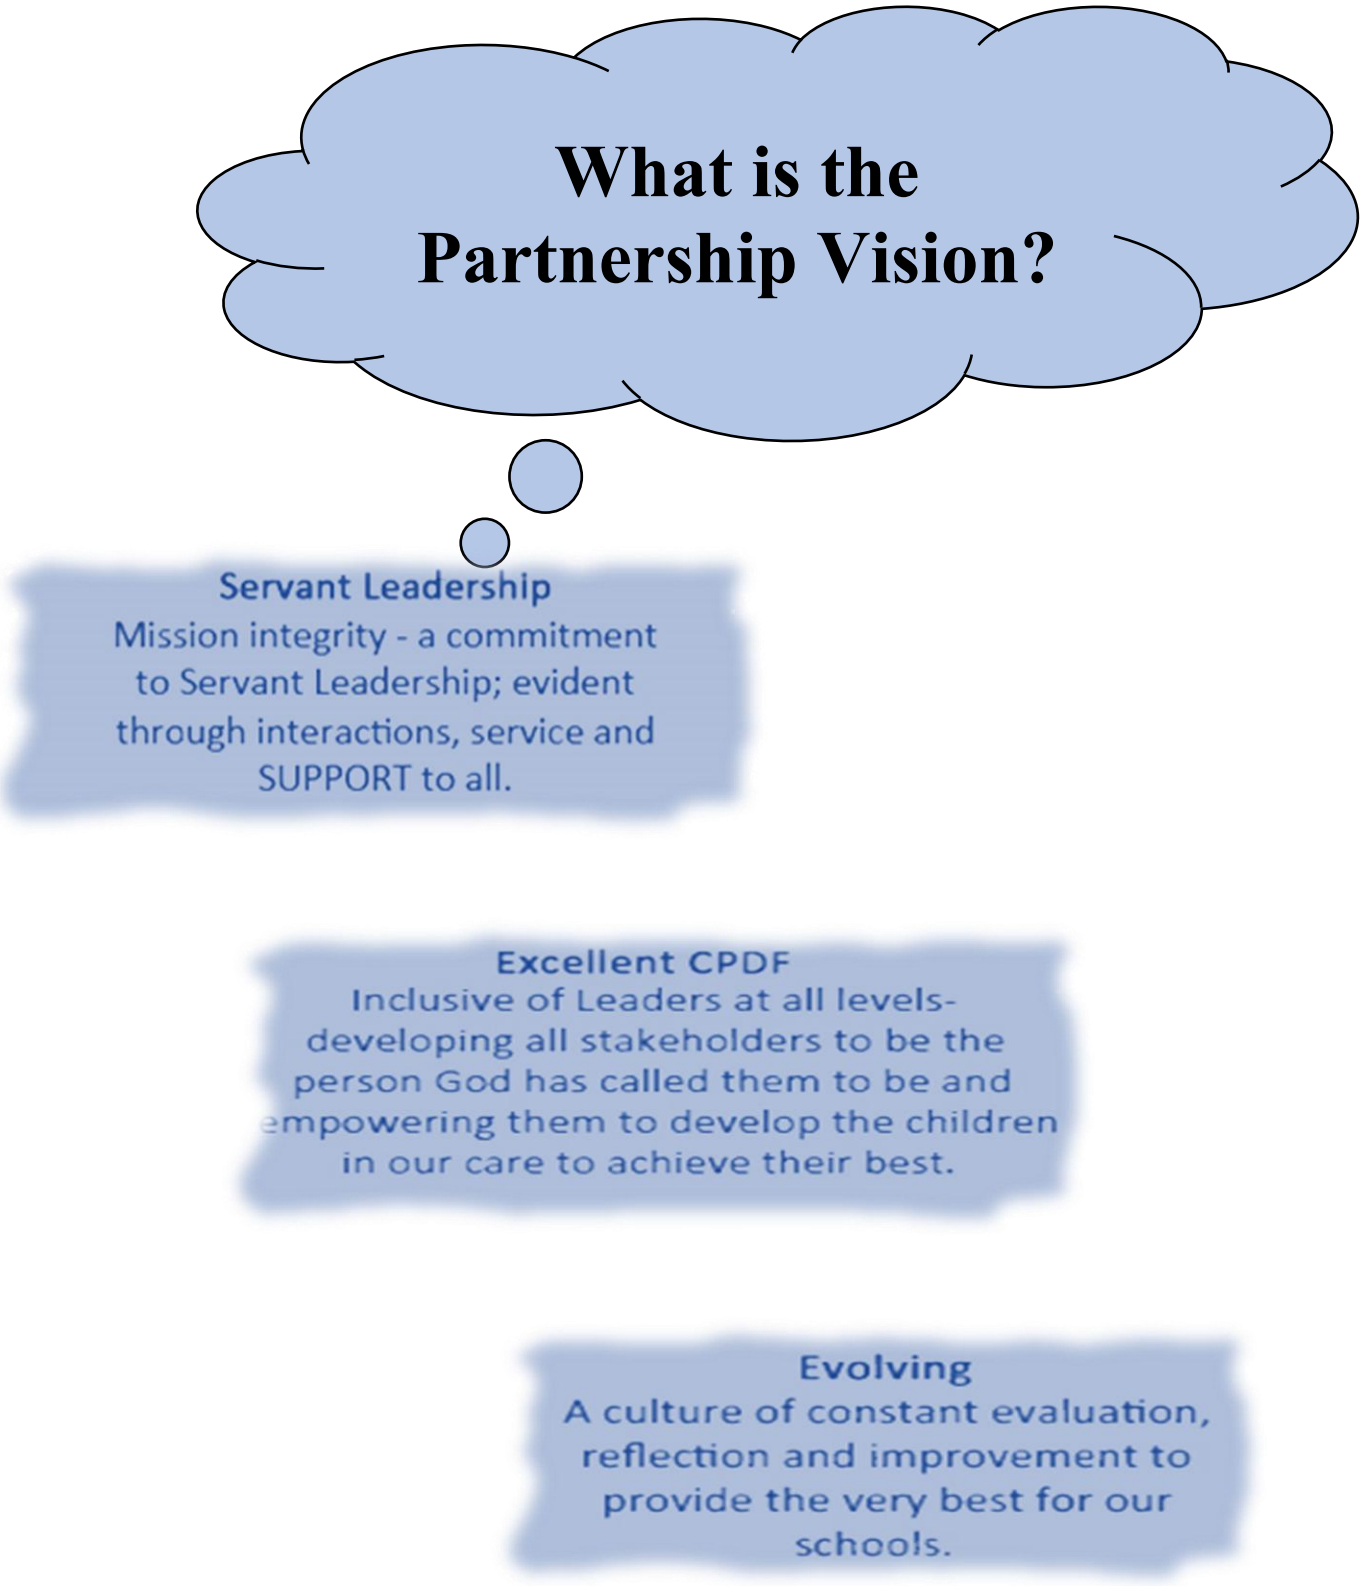
With every blessing,

Julie-Anne Tallon

Director of the Catholic Primary Partnership



We are passionate about servant leadership and provide excellent CPDF to ensure all stakeholders become who God has called them to be. We want to evolve constantly, so we nurture a culture of constant review, evaluation, and planning for the next steps. We build upon strengths and offer our schools the absolute best.



St Joseph of Cupertino,
patron of those who learn differently
and of all who support them,
pray for us.

Bless our SENDCOs in their
tireless work:
grant them patience in challenge,
wisdom in decision-making,
and compassion in every encounter.

May they recognise the dignity and
potential in every child,
serve with humility and courage,
and find strength and joy in their calling.

Through Christ our Lord.
Amen.

In this session Affirmational Havening will be introduced to cover doubt when a pupil is not feeling confident in a particular situation, such as making friends, social anxiety and exam stress. There will be sufficient time to explore how Havening can be used, not only on a 1-2-1 basis, but consider the benefits of using this in the classroom environment. The training will focus on the following benefitting both staff and classroom activity. · Engaging: Brain games can help keep children engaged and focused in their lessons (mainly in primaries). · Self-acceptance: Havening can help deepen self-acceptance and increase self-confidence. · Personal resilience: Havening can help strengthen personal resilience and coping strategies. · Enhancing focus: Calmer minds can concentrate and retain information better as the pre-frontal cortex is more engaged. · Building confidence: Affirmational Havening replaces self-doubt and negative self-talk with positive beliefs · Improving emotional resilience: Massively reduce emotional overwhelm and stress during revision or assessment and exam anxiety and performance pressure.
