PARTNERSHIP**

Dear English Leaders,

We are delighted to serve you and your school communities by providing CPDF (Continuous Professional Development and FORMATION) to leaders at all levels. We aim to support you to help form your team to each be the best version of the person that God has called them to be. In turn, it is hoped, this will cascade to your amazing pupils. We are pleased to be serving many diocese across England and know that you will benefit from working alongside leaders at all levels from across the country.

Providers:

There are some old favourites and some brand-new ones, let us know your thoughts, we use YOUR feedback to design the offer for the following year. If an old favourite isn't included this year, let us know you want them back. (We're already working on 2026-2027!) If you hear of someone amazing, based anywhere in the country, tell us. We'll get them booked.

English leaders- this brochure contains CPDF that we think is useful to you, as English leader, and for you to send other staff on to strengthen your subject. Remember, there are lots of other CPDF sessions that you may be interested in, in the full CPDF brochure.

Also...

If you are part of a MAC/MAT/Collaboration of schools, you may want all English leaders to meet as a group after the English Support and Development Groups. Just let us know and we can support you in organising this.

So, you actually read to the end? Impressive! Now the challenge is to continue reading and take note of our vision for the Partnership.

We believe in it, we review it, we live it, we report on it to our Management Board. It's our way of ensuring the very best for you. Let us know your thoughts.

In the meantime, please use the hyperlinks to book your English CPDF and we look forward to welcoming you.

Kind regards

With Ruth Swailes

Tuesday 2nd December 2025

Session 2 of 2

Zoom

For: EYFS leaders and English leaders

Writing is a challenging and complex task that requires children to draw upon a wide range of different skills, it's no wonder it's one of the areas of the curriculum that is most challenging to teach.

In these 2 sessions, Ruth will share her knowledge of young children's physical and cognitive development and the latest research to provide delegates with the understanding they need to support young children's writing.

Ruth will share practical ideas that she has used herself, which can be taken back to the classroom immediately so that teachers feel empowered to give children the skills they need to become confident, competent writers.
