PRIMARY
PARTNERSHIP**

Dear EYFS

We are delighted to serve you and your school communities by providing CPDF (Continuous Professional Development and FORMATION) to leaders at all levels. We aim to support you to help form your team to each be the best version of the person that God has called them to be. In turn, it is hoped, this will cascade to your amazing pupils. We are pleased to be serving many diocese across England and know that you will benefit from working alongside leaders at all levels from across the country.

Providers:

There are some old favourites and some brand-new ones, let us know your thoughts, we use YOUR feedback to design the offer for the following year. If an old favourite isn't included this year, let us know you want them back. (We're already working on 2026-2027!) If you hear of someone amazing, based anywhere in the country, tell us. We'll get them booked.

EYFS- we have so much for you this year, get yourself and your team booked on. We all know it all starts with you, now we are providing CPDF to support you.

Also...

If you are part of a MAC/MAT/Collaboration of schools, you may wish for all EYFS leaders to meet as a group after the new EYFS Support and Development Group. Just let us know and we can support you in organising this.

So, you actually read to the end? Impressive! Now the challenge is to continue reading and take note of our vision for the Partnership.

We believe in it, we review it, we live it, we report on it to our Management Board. It's our way of ensuring the very best for you. Let us know your thoughts.

In the meantime, please use the hyperlinks to book your CPDF and we look forward to welcoming you.

Kind regards

very welcome

In this session, we will focus on the importance of ensuring that our provision and practice is tailored to the needs of our cohort of children and how to best do this effectively. The session will detail the assess, plan, do, review process (the graduated response) and how to ensure that practitioners, pupils and parents/carers have a voice in this process, so that it has an effective impact. As an EYFS/KS1 specialist and experienced SENDCO, I will reflect on the importance of developing the prime areas of PSED, Communication & Language and Physical Development, through quality first teaching and learning opportunities.
