11.30am–12.30pm

Zoom

For: all staff

#SEN #CT #HT #TA

Update and Review of Key Changes

During this one-hour virtual session we will cover the key changes and themes within KCSIE-24 to ensure that all staff are up to date with the latest statutory requirements for people working in Education settings.

There is also a quiz to assess understanding.

To Book: <https://www.bcpp.org.uk/events/25-kcsie-update>

Sign up one member of staff only (everyone else sits with them).

Director's note:

This is a session that all schools must do. We are trying to save you a job by sorting this for you. Plan your first day back around this, it is one job ticked off the 'to do' list. Sign up one person to be the lead, they will have the link to the session (show it on one device in the hall). This person will receive the quiz, and it is their job to share it and collate responses.

We are not recording this session this year, it had an additional cost and was not in demand, if you would like to discuss this with us, get in touch ASAP.

Decide which member of staff is going to be named to receive the link and distribute quiz info, they are the person to sign up for the session.

It has taken me completely out of my comfort zone and challenged my thinking. Yes, I’m a Catholic Head</i></p>	

but this has given me a real sense of responsibility to make change. I am making a long-term plan for my school and staff.

Definitely worth doing again and trying to persuade as many people to come on it as possible!

It will help to broaden your outlook and think about what matters.

The whole experience has strengthened my faith and brought a different dimension to my prayer life and reflections. It's an opportunity to live the gospels and to 'use and apply' their messages.
