Maths Leaders Continuous Professional Development and Formation Plan 2025-2026

**CELEBRATING
30 YEARS**

**CATHOLIC
PRIMARY
PARTNERSHIP**

Dear Maths Leaders,

We are delighted to serve you and your school communities by providing CPDF (Continuous Professional Development and FORMATION) to leaders at all levels. We aim to support you to help form your team to each be the best version of the person that God has called them to be. In turn, it is hoped, this will cascade to your amazing pupils. We are pleased to be serving many diocese across England and know that you will benefit from working alongside leaders at all levels from across the country.

Providers:

There are some old favourites and some brand-new ones, let us know your thoughts, we use YOUR feedback to design the offer for the following year. If an old favourite isn't included this year, let us know you want them back. (We're already working on 2026-2027!) If you hear of someone amazing, based anywhere in the country, tell us. We'll get them booked.

Maths leaders- we have included information in here that we think will be useful to you as Maths leaders and to support your staff with Maths.

Also...

If you are part of a MAC/MAT/Collaboration of schools, why not arrange for all maths leaders to meet as a group after the Maths Support and Development Group. Just let us know and we can support you in organising this.

So, you actually read to the end? Impressive! Now the challenge is to continue reading and take note of our vision for the Partnership.

We believe in it, we review it, we live it, we report on it to our Management Board. It's our way of ensuring the very best for you. Let us know your thoughts.

In the meantime, please use the hyperlinks to book your CPDF and we look forward to welcoming you.

Kind regards

Julie-Anne Tallon
