## **Continuous Professional Development and Formation Plan 2025-2026**

**CELEBRATING  
30 YEARS**

**CATHOLIC  
PRIMARY  
PARTNERSHIP**

Dear SENDCOs,

We are delighted to serve you and your school communities by providing CPDF (Continuous Professional Development and FORMATION) to leaders at all levels. We aim to support you to help form your team to each be the best version of the person that God has called them to be. In turn, it is hoped, this will cascade to your amazing pupils. We are pleased to be serving many diocese across England and know that you will benefit from working alongside leaders at all levels from across the country.

Providers:

There are some old favourites and some brand-new ones, let us know your thoughts, we use YOUR feedback to design the offer for the following year. If an old favourite isn't included this year, let us know you want them back. (We're already working on 2026-2027!) If you hear of someone amazing, based anywhere in the country, tell us. We'll get them booked.

SENDCO- we have included information in here that we think wmay be useful to YOU as the SENDCO and also sessions that you may wish to send your staff team on. Remember, there are lots more CPDF sessions in the full brochure.

Also...

If you are part of a MAC/MAT/Collaboration of schools, you may want to arrange for all SENDCOs to meet as a group after the SENDCO Support and Development Group. Just let us know and we can support you in organising this.

So, you actually read to the end? Impressive! Now the challenge is to continue reading and take note of our vision for the Partnership.

We believe in it, we review it, we live it, we report on it to our Management Board. It's our way of ensuring the very best for you. Let us know your thoughts.

In the meantime, please use the hyperlinks to book your CPDF and we look forward to welcoming you.

Kind regards

*Julie-Anne Tallon*

#### **Update and Review of Key Changes**

There is also a quiz to assess understanding.

To Book: <https://www.bcpp.org.uk/events/25-kcsie-update>

**Sign up one member of staff only (everyone else sits with them).**

#### **Director's note:**

*This is a session that all schools must do. We are trying to save you a job by sorting this for you. Plan your first day back around this, it is one job ticked off the 'to do' list. Sign up one person to be the lead, they will have the link to the session (show it on one device in the hall). This person will receive the quiz, and it is their job to share it and collate responses.*

*We are not recording this session this year, it had an additional cost and was not in demand, if you would like to discuss this with us, get in touch ASAP.*

**Decide which member of staff is going to be named to receive the link and distribute quiz info, they are the person to sign up for the session.**

#### **SENDCO Support and Development Group - Session 3 of 3**

**With Matt McArthur**

**Thursday 18<sup>th</sup> June 2026**

1:30pm-5:30pm

Zoom

For: SENDCOs, senior leader leaders who want to be more informed about SEN

This is an opportunity for SENDCOs to meet regularly for CPLD, networking, discussion and problem solving.

This session will focus on meeting the needs of children with **Cognition and Learning Needs**, through the distributed leadership of SEND.

- Identifying characteristics of Cognition and Learning Needs
- Strategies to support children in mainstream with C&L needs
- Up-skilling teachers and teaching assistants to meet greater complexity of need
- A responsive discussion about approaches, challenges and solutions

SENDCOs will then develop their understanding of how the EEF implementation cycle supports effective strategic improvement over time. This will secure stronger outcomes for children with SEND, focussing particularly on the **Sustaining** stage. They will explore how to sustain and scale up approaches that are being introduced from the outset, and to continuously acknowledge and nurture the use of them across the school.
